

I Have Answered the Eagle's Call

Today they will pin the an Eagle badge on my chest
To indicate I have become one of scouting's very best
So now here I am standing in front of you all
To let you know I have answered the Eagle's call
In my life scouting has been such a great part
And my becoming an Eagle brings joy to my heart
Now is the beginning of what I need to do
Helping my fellow scouts become Eagles too
Each and everyday I must conduct my life in such a way
So that others will want to become Eagles some day
From this day forward I will always be
The one setting example for all to see
And so, God, I know that you will hear me when I pray
That with your help I will always be an Eagle in every way

Bill Swilley, Assistant Scoutmaster, Troop 467
