BOY SCOUT TROOP HONORED: The Boy Scouts of Troop 467, sponsored by Peachtree United Methodist Church in Buckhead, recently wrote and presented a commemorative ceremony honoring the 70th anniversary of former President Franklin Delano Roosevelt's death. They completed this project to fulfill the requirements for Scouting's Historic Trails Award. It is rather rare for a troop to receive this award, and this troop has only completed one other such award in its 50-year history. As part of their project, the Scouts also camped and hiked at FDR State Park near Warm Springs. Their presentation highlighted Roosevelt's achievements and talked about his far-reaching impact on the Boy Scouts of America.
